

2017-18 JESUS CHAPEL SCHOOL Business and Community Partners in Education Program

Students at Jesus Chapel School continue to exemplify our mission to prepare them for eternity while impacting the world around them, excelling academically, in the arts, in athletics and growing spiritually to the full measure of Christ. Our graduates continue filling their roles as parents, teachers, doctors, lawyers, artists, pastors, missionaries - from El Paso, to Wall Street and around the world.

This mission can only be accomplished with the collective support of parents, family, friends, businesses and the community we reach. We count on gifts and fundraising each year to consistently provide the annual resources needed to strengthen our school and further our mission. Together, with your support, we can continue to educate our students to reach the world.

The Jesus Chapel School Business and Community Partners in Christian Education Program exists to form a mutually beneficial partnership between the school and the business community who believes in our mission and commits to supporting the school. The program is designed to create a network of partners that share resources, have opportunities to market your products and services, and reach the school community.

One such opportunity is the third annual **JCS Spring Open House & Family Fun Day** happening **Saturday, April 1, 2017**. The purpose of our Open House is dual in nature. 1. To allow prospective families to come and see and experience Jesus Chapel School, and 2. To allow our current Chapel family to participate, support and engage at a new level with other Chapel families, and in so doing strengthen our Chapel community.

We expect about 250 people from our family, staff and community to attend the Open House and we also want to share that day with our partners. All sponsors will be listed and announced during the event. You are encouraged to supply up to 250 or more fliers, coupons, exclusive discounts, bags, promotional items and gifts, and wear your company shirts to help promote your products and services at the event. You are invited to visit us that day whether you choose to partner with us or not!

So, please consider becoming a Charger Partner and sponsoring our school today. Complete and return the sponsorship form by Thursday, March 30 at noon and make a tax-deductible donation of any size payable to: Jesus Chapel School, 10200 Album Ave., El Paso, TX 79925, or make a donation through PayPal at: www.paypal.me/jesuschapelschool.

Thank you, again for your role in the success of this institution we dearly call "OUR SCHOOL."

CHARGERS *for life*
